Important Information You Should Know

- To dispute or report inaccuracies in information we have furnished to a Consumer Reporting Agency about your accounts: Wells Fargo Bank, N.A. may furnish information about deposit accounts to Early Warning Services. You have the right to dispute the accuracy of information that we have furnished to a consumer reporting agency by writing to us at Overdraft Collection and Recovery, P.O. Box 5058, Portland, OR 97208-5058. Include with the dispute the following information as available: Full name (First, Middle, Last), Complete address, The account number or other information to identify the account being disputed, Last four digits of your social security number, Date of Birth. Please describe the specific information that is inaccurate or in dispute and the basis for the dispute along with supporting documentation. If you believe the information furnished is the result of identity theft, please provide us with an identity theft report.
- In case of errors or questions about other transactions (that are not electronic transfers): Promptly review your account statement within 30 days after we made it available to you, and notify us of any errors.
- If your account has a negative balance: Please note that an account overdraft that is not resolved 60 days from the date the account first became overdrawn will result in closure and charge off of your account. In this event, it is important that you make arrangements to redirect recurring deposits and payments to another account. The closure will be reported to Early Warning Services. We reserve the right to close and/or charge-off your account at an earlier date, as permitted by law. The laws of some states require us to inform you that this communication is an attempt to collect a debt and that any information obtained will be used for that purpose.
- To download and print an Account Balance Calculation Worksheet (PDF) to help you balance your checking or savings account, enter www.wellsfargo.com/balancemyaccount in your browser on either your computer or mobile device.

Account Balance Calculation Worksheet

- 1. Use the following worksheet to calculate your overall account balance.
- Go through your register and mark each check, withdrawal, ATM transaction, payment, deposit or other credit listed on your statement.
 Be sure that your register shows any interest paid into your account and any service charges, automatic payments or ATM transactions withdrawn from your account during this statement period.
- 3. Use the chart to the right to list any deposits, transfers to your account, outstanding checks, ATM withdrawals, ATM payments or any other withdrawals (including any from previous months) which are listed in your register but not shown on your statement.

ENTER A. The ending balance **ADD** B. Any deposits listed in your register or transfers into your account which are not shown on your statement. TOTAL \$ _____ CALCULATE THE SUBTOTAL (Add Parts A and B) TOTAL \$ ____ **SUBTRACT** C. The total outstanding checks and CALCULATE THE ENDING BALANCE (Part A + Part B - Part C) This amount should be the same as the current balance shown in your check register.....
